

# PLUSCO

## Product Data Sheet

### **PLUSCO 851** **Food Grade Grease**

**PLUSCO 851** is a special premium food machinery grade grease formulated ingredients listed in FDA 21 CFR 178.3570.

**PLUSCO 851** Food Machinery Grease has a USDA H-1 rating which is assigned to lubricants that may be used on equipment in locations which there is exposure of the lubricated part to the edible product.

**PLUSCO 851** is a white opaque calcium base, high performance grease developed primarily for the food processing and canning industry. It is also recommended for applications in the water well industry, which calls for a non-contaminating lubricant. **PLUSCO 851** Food Machinery Grease is available in a No. 2 all-purpose grade.

### **TYPICAL SPECIFICATIONS**
