

PLUSCO

Product Data Sheet

PLUSCO 004 **Safety Solvent**

PLUSCO 004 Safety Solvent Spray is a USDA authorized organic safety solvent that contains naturally produced solvents formulated to remove dirt, grease, oil and grime from metallic and non-metallic surfaces. This safety solvent is safe on most plastics, leaves no residue and cleans quickly without harming working parts.

PLUSCO 004 Safety Solvent Spray may be used on electric motors while running, electronic equipment, ignition systems, generators, power tools and in many other applications. It is excellent for air conditioning, refrigeration and all types of mechanical equipment. Exhibits a 30,000 volt dielectric strength.
