

# PLUSCO 967 "Brilliant Blue" All-Purpose Cleaner & Degreaser

**PLUSCO 967** is an excellent, all-purpose cleaner and degreaser, especially designed for oilfield and heavy industrial use.

**Brilliant Blue** is formulated such that it contains a balanced combination of detergents, softeners, emulsifiers, corrosion inhibitors and grease dissolving chemicals. This enables Brilliant Blue to penetrate and dissolve grease buildups, oils, waxes and soils. **PLUSCO 967 Brilliant Blue** is very powerful, yet at the same time it is a gentle degreaser which is non-corrosive to metals, safe on fabrics and will not dull painted surfaces.

**Brilliant Blue** is an excellent safe product for degreasing and cleaning auto, industrial engines, machinery, oil rig, plastic, trucks, tools, floors... etc.

## APPLICATION
